I apologize. I forgot to follow up. I realized later on that other officials were cc'd and later emailed Stockman, Cruz and Cornyn. So, they have been notified and invited.

Per my email that went out last week, will you pls. notify Rep. Stockman's office and other federal staff of the Site Briefing on 4/30/14, 10 a.m., at the Harris County PCS offices.

Austin, we have invited local mayors, State Rep Smith, the Harris Co. Judge, and TCEQ, among other local agencies.

The Bfng will be on the RI/FS, the TCRA Cap now in place, and Alternatives and schedules for the Proposed Plan for cleanup by late Summer, and related issues.
